

Regulation Roadmap

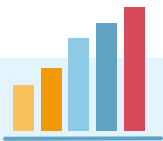

From: Student Dysregulation

ASSESS

See your Staff

Frustrated → Seen

Map the Methods

Unknown → Inventory

Name the Cycle

Reactive → Committed

Regulate the Classroom

Dysregulated → Focused

Shift the Mindset

Dreaded → Essential

Target the Transition

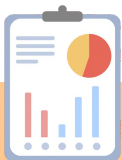

Chaotic → Consistent

INSTALL

Sustain the System

Conflicting Priorities → Aligned Solutions

Prove the Impact

Anecdotal → Data-Driven

Keep your Teachers

Burnt Out → Resourced

To: Community Co-Regulation

Recess Reset helps elementary school principals move from frustrated staff battling with student behavior and lost instructional time to well-equipped teachers with calm and focused classrooms through a consistent daily self-regulation routine
